COMPLIMENTARY BENEFITS

Additional Value Included With Your Website

As part of the website project, I am including the following services **free of charge** to help Make It Happen Events launch and manage the website more easily.

1. FREE HOSTING — 1 YEAR

Included at no additional cost

Your website hosting will be provided free for the first **12 months** after launch.

Benefits:

- No hosting cost for the first year
- Reliable website hosting
- Faster website loading
- Secure hosting environment
- Website remains accessible online 24/7
- No need to manage hosting during the first year

After 1 year: Hosting can be renewed separately based on the hosting plan required.

2. FREE ADMIN DASHBOARD

Included at no additional cost

A custom admin page will be provided to make it easier to manage the website without needing to edit the website code.

Benefits:

- Easy-to-use admin interface
- Update agreed website content easily
- Manage selected event/service information
- Make basic content changes without developer assistance
- Saves time on routine website updates
- Gives the business more control over its website

The admin dashboard will be customised around the agreed website requirements.
